## Letter of recommendation

To whom it may concern:

Project: Värtahamnen HB – Stockholm

Per Aarsleff A/S awarded the company Multiserwis Sp. z o.o. as a subcontractor with the construction works and installation of the cable ladders during the period from January till December 2015.

1. Required skills:

- Supervisors
- Carpenters
- Concrete workers
- Structure fitters
- Heavy equipment operators
- Welders

2. Structures to be erected:

- Harbour superstructure - reinforced concrete structures, cable ladders installation

3. Leadership

- English speaking supervisor and foreman

All tasks have been realized independently, based on drawings and technical descriptions under own leadership. The group itself was well organized, the progress achieved efficient as estimated. High level of health & safety, technical and compliance regulation had positive impact between our cooperation and result of high quality service rendered.

We have no hesitation to recommend Multiserwis for future projects.
